

# Pay2Play

iSquash Access and Pay2Play is available to all affiliated squash clubs in New Zealand and is another module of iSquash, the integrated online IT system provided by Squash NZ to affiliated squash clubs, at no cost.

iSquash Access & Pay2Play enables clubs to manage their membership information, court bookings and facility access more efficiently while offering improved access and services to their members.

## BENEFITS AND FEATURES

- national system provided, maintained and *constantly developed* by Squash NZ as part of a national strategy (future planned developments include mobile readiness and collecting membership fees online)
- integrated with the national Grading List, interclub management, tournament modules and other results entry
- online Member Management system that allows bulk emailing to club members (or specific groups within the club) and access by multiple Committee members
- allows clubs to offer different membership types with specific door access therefore ensuring building security
- no more paper booking system! iSquash Online Booking allows members to check and book courts from any internet connection (including phones!)
- allows clubs to offer casual pay-to-play squash, with online credit card payments
- no more keys! iSquash Access uses key tags managed through iSquash Member Management
- bookings linked to court lighting reduce power usage and costs to clubs
- can be linked to heating and air-conditioning and security systems, including CCTV
- reporting abilities that allows clubs to monitor usage and plan for the future

## COSTS

### Installation

As each site will be different, Squash NZ has selected VIP Security to provide quotations for installation and iSquash Access. System costs vary between \$8 - 10,000 (excl GST) depending on variables (eg. linked to lighting, number of doors/courts etc). Please contact Squash NZ if you are interested and a quote can be arranged.

### Access Tags

Access tags are provided for each club member. These cost an additional \$10 (excl GST) per member.

### Monthly Costs

There is NO ongoing support costs from Squash NZ for the iSquash software. We recommend negotiating a maintenance agreement after the warranty has ended, with VIP security for the hardware.

### Maintenance and development

Squash NZ maintains iSquash at no cost to affiliated clubs. Squash NZ is constantly developing the system with upgrades and new features provided free for affiliated clubs, based on feedback provided from clubs and users themselves.

## FURTHER INFORMATION / CONTACT DETAILS

For further information or to set up the iSquash Access System at your club, please contact SNZ on [admin@squashnz.co.nz](mailto:admin@squashnz.co.nz) or 09 815 6770
