## **Expression of Interest for a temporary role as a National Senior Selector.**

Squash New Zealand is calling for expressions of interest for the role of a temporary national senior selector to fill a vacancy that has recently arisen due to the unavailability of one of three national senior selectors. The role is only for the selection of the SNZ 2016 World Doubles Team and does not include the selection of any other senior NZ teams.

SNZ is sending a team of up to 8 athletes to compete at the WSF World Doubles in Darwin from 15-18 August 2016. Prior to the team being selected there will be 2 further doubles camps in Auckland.

- 28-29 June
- 19-21 July

The successful applicant must be able to attend these two selection camps in Auckland and should have a thorough understanding of doubles squash and the international doubles environment.
