

Squash New Zealand Refereeing Pathways

Level: Beginner → District Referee → National Referee → International Referee

Pathways	Club Referee		District Referee		National Referee		International Referee
Parameters	Club convenor to organise regular workshops at their own clubs		Applicants apply to SNZ who forward information onto the National Refereeing Director who will advise the applicant the tournament allocated for assessment. District Convenor to organise workshops including participants, venues and course administration.		At this level Squash NZ will follow the WSF CBTA programme for national referees, including on-going re-appointments. Applicants apply to Squash NZ, the National Director will advise the tournament allocated for the assessment.		Dependent on World Squash Federation
Activity (workshops etc)	An introductory course designed to help people new to squash. The course gives basic knowledge on marking and refereeing.		This intermediate course educates on all techniques of squash refereeing. A good all round course for those wanting to develop their skills further. Assessment done by National Referees on matches between B Grade players				A chance for National Referees to attain higher status. There are minimum requirements to be met prior to being nominated by the National Referee Panel to WSF
