

26th New Zealand Secondary Schools Squash Teams Tournament 2010

Eligibility Criteria for NZSS Squash 2010

Below are some notes designed to help you understand the new School Team Eligibility criteria that have been adopted as policy by the New Zealand Secondary School Sports Council and accepted by New Zealand Secondary Schools Squash Organising Committee.

The Constitution of the New Zealand Secondary Schools Squash leaves the eligibility of players up to the Organising Committee of that particular event. The notes are specific to the 26th New Zealand Secondary Schools Squash Teams Tournament 2010 and will apply at this event in Christchurch on 6 - 8 August 2010.

As some of the criteria are new in 2009 it has been suggested as worth while to produce some notes for event attendees, to ensure clarity around the matter of limits on the number of students new to a school who can compete at the New Zealand Secondary Schools Squash Teams Tournament 2010.

Helpful notes:

1. Students must be under the age of 19yrs as at 1 January 2010, enrolled as a bona fide Year 9 or above student at the school of representation and studying at least 80% of a timetabled programme at least four weeks immediately prior to the New Zealand Secondary Schools Squash Teams Tournament 2010.
2. Year 7 & 8 students may not participate in the New Zealand Secondary Schools Squash Teams Tournament 2010.
3. No dispensation will be given to any school team to include students from any other school.
4. *Your school must not exceed the limit of **ONE (1)** student who is new to your school since the start of term 2, 2010 and who does not hold a Principals' exemption as described in Item 2 of the NZSSSC policy [see below], to play for your school squash team at the New Zealand Secondary Schools Teams Squash Tournament 2010. This includes any overseas students.*
5. *Year 9 and 10 students are exempt from this, so you can have as many Year 9 and 10 students, new to your school, in your Squash team as you like.*
